

# Pray for John.

## *And for the chain.*

*Five short prayers you can pray today. Anchored in Scripture. Spoken with hope.  
Print this. Slip it in your Bible. Share it with anyone who would lift him up.*

### FOR JOHN

#### **Psalm 41:3 (NIV)**

*"The Lord sustains them on their sickbed and restores them from their bed of illness."*

Lord, sustain John. Hold him on the hard days. Quiet his fears. Strengthen his body for what's ahead. Restore him fully, by Your hand.

### FOR HIS WIFE AND HIS GIRLS

#### **Isaiah 40:31 (NIV)**

*"Those who hope in the Lord will renew their strength. They will soar on wings like eagles."*

Father, renew the strength of John's wife and his daughters. Give them peace when they're afraid. Give them joy in ordinary moments. Carry their family through this season together.

### FOR THE UNKNOWN DONOR

#### **John 15:13 (NIV)**

*"Greater love has no one than this: to lay down one's life for one's friends."*

Father, somewhere right now there is a person whose kidney will save John. Prepare their heart. Give them courage. Bless their family. Protect them through the surgery. We pray with thanksgiving for a stranger we may never meet.

### FOR THE DOCTORS AND TEAM

#### **Colossians 3:23 (NIV)**

*"Whatever you do, work at it with all your heart, as working for the Lord."*

Lord, guide the hands of the surgeons. Give wisdom to the transplant team at Ascension St. John. Make every test precise, every decision sound. Let this be Your work done through them.

### FOR ALL OF US

#### **Galatians 6:2 (NIV)**

*"Carry each other's burdens, and in this way you will fulfill the law of Christ."*

Father, show us our part. Move us to act, not just feel. If we can be tested, give us the courage. If we can give, give us the heart. If we can share his story, give us the words. Let no one in our reach be unaware.

*Prayer is powerful. So is action. Below are three concrete things you can do today. Scan the QR code or visit [kidney4watkins.com](http://kidney4watkins.com) to learn more about John's story.*

## 01 Pray

Use the prayers on the other side. Pray with your family at the table. Pray with your small group. Bring his name to the throne.

## 02 Share

Send [kidney4watkins.com](http://kidney4watkins.com) to ten people. Most donors hear about their patient from a friend, not a hospital. Your share may be the one that finds his match.

## 03 Get tested

Call Ascension St. John Transplant Center at 918-744-2925. Or start online at [livingdonor.sjmc.org](http://livingdonor.sjmc.org). You don't have to match John's blood type. Paired donation makes the chain.
